

# It's time to take advantage of a Medicare Advantage plan designed for FEHBP

UnitedHealthcare® is extending support to FEHBP retirees or soon-to-be retirees with a new plan offering for coverage beginning January 1, 2021. This plan is designed exclusively for FEHBP and provides benefits and features that you may not get with your current health plan.

If you are currently enrolled in a FEHBP UnitedHealthcare® health plan, are Medicare-eligible and enrolled in both Medicare Parts A and B, you can choose to enroll in the **UnitedHealthcare Medicare Advantage Value Plan**, a UnitedHealthcare® Group Medicare Advantage (PPO) plan. Please note that if you enroll in this plan, you will be eligible to receive a Medicare Part B subsidy of \$50. This is taken care of for you, no action needed. You must remain enrolled in the active plan to receive the Medicare Advantage Enhanced Benefits.

## With the UnitedHealthcare Medicare Advantage Value Plan, there's so much to take advantage of:

- No deductible, coinsurance or copays
- No need to coordinate primary and secondary payers
- Prescription drug coverage in Gap stage and Catastrophic coverage stage

UnitedHealthcare looks forward to being your plan of choice.
